Para 59 of Govt Pro: No: H 1150-1192

"Similarly, with regard to the Contingent expenses of the Jail Press, the amounts required for payments are, it is ~~said~~ stated, taken from the Manufacturing Department, and charged in the Contingent Bill of that Department. This is opposed to Codal rules, as the charges of the Jail Press should be taken to the Head "Stationery and Printing". At present, there seems to be no separate budget grant or a separate permanent advance for the purpose. An adequate permanent advance should be maintained for the purpose, or a sufficient budget provision applied for"

Has the honour to observe that the Inspr Genl: does not say whether the Supdt is right or ~~not~~ wrong. The provision of Rs 13580 has been passed finally. If it includes Rs 600/- it has to be transferred to the head "Stationery and Printing". The Inspr Genl: is therefore requested to send a definite reply at a very early date.

Request that the Inspr Genl: may be so good as to state definitely whether the Supdt: is right in reporting that the Jail Expenditure is not included in the provision of Rs 13580 or under any head. The Jail budget for 1903-4 has not been already passed, the point for decision is whether the sum of Rs 600 included in the Jail budget for on account of Jail pers in the previous year should be transferred to Stationery & Printing under Genl Administration, or a fresh provision of Rs 600 on account of Jail pers should be made. General No.804/3.

His No.21/M dated 8th Instant, stating that the sum of Rs.800/- to be provided for the purchase of articles for the Jail Press, is now included in the provision of Rs.13580/- or under any other head in the current year's budget according to Rule 28 chapter XVI of the report on the General Pris by the Special Auditor General in Mysore.

With reference to the above, has the honor to state that it appears that the Budget for 1903-04 was submitted to this Office on 12th February 1903, and the report by Mr. C.R.Fernandes was not circulated to Superintendents of Jails till 18th February 1903, consequently it is not clear how the Budget could have been drawn up in accordance with the said report.

Moreover the sum budgetted for under the heading Jail Manufactures (under which the Press had hitherto been include is Rs.13580/-, the same amount as was Budgetted for the previous year when there was no question about the Press Budget having been included. The impression left on the mind of the Inspector General of Prisons, therefore, is that this Budget for 1903-04 was intended to include the Press, under the hea of Jail Manufacture "Purchase of new materials". For this explanation in the light of these remarks is requested.

Sir,

With reference to your docket No.804/ dated 28th July 1903, I have the honor to state that the Special Auditor, when examining the accounts of this Jail expressed his opinion that the Jail Press allotment should entirely be separated from the cost of the Raw Materials prior to the submission of the Budget estimate for the allotment required therefor to the Inspector General of Prisons. Accordingly the Budget was prepared and sent.

With reference to para 2 of the above I beg to state that a request was made to you in this office letter No. 45/M dated 15th July 1903, to raise the allotment from Rs. 1200/- to Rs.1500/- as the permanent allotment of Rs. 1200/- per mensem was not sufficient to meet the cost of the Raw materials with the Jail Press expenditure and many orders for carpets and furniture have also been received for execution during the current official year. Hence the sum of Rs. 000/- intended for the purchase of articles for the Jail Press is now included in the provision of Rs.13500/-.
